High Plains Mental Health Center is supported by patient fees and funds from state and local government. Your fee is based upon financial information certified by you. The Percent of Reduction will be applied to charges on the account. Failure to provide required information on insurance coverage will void the Percent of Reduction and charges will become payable at the Center's usual and customary charge. The Center reserves the right to adjust its usual and customary charge. Your Percent of Reduction will expire upon discharge. High Plains provides services throughout the 20 county area. All statements are mailed from the Hays Office.

To the best of my knowledge, the above information is true and correct. I agree to pay for outpatient services at each visit or, if I have insurance, upon receipt of statement indicating the balance due, and to pay Woodhaven Community Support Services monthly upon receipt of statement indicating the balance due. I further understand that should benefits be denied or fees not be fully covered by my insurance, I am responsible for payment of any balance due in accordance with this agreement. If unable to follow this policy, I am responsible for contacting the Insurance Department (785) 628-2871. The Responsible Person of SMI, SPMI or SED patients may request a special fee agreement beyond the sliding fee reduction when extenuating circumstances exist. If the request is denied the consumer or responsible person may file a complaint with the Manager of Quality Improvement. No one will be denied necessary and appropriate services that the Center is required to provide by K.A.R. 30-60-64, solely because of the patient's inability to pay the fees charged by the center for those services. The Center reserves the right to refer delinquent accounts to a professional collection agency and/or the Center's attorney.

I have read and understand the terms of the Fee and Payment Agreement and agree to pay for services provided by High Plains Mental Health Center to the patient listed above according to these terms.

High Plains Mental Health Center Consent for Outpatient Treatment

Consent for Outpatient Treatment

I hereby consent to an initial assessment and subsequent treatment subject to my ongoing involvement in providing consent. The purpose of the assessment is to determine my current mental health and/or substance use needs and to develop treatment recommendations. I understand that if I wish to accept treatment I have the right to have the risks and benefits of treatment options, including not having any treatment, explained to me.

I understand that I may at any time refuse any intervention in which I do not wish to participate. This consent is voluntary and I can withdraw my consent to treatment at any time.

Consent to Participate in Telemedicine Services

To better serve the needs in the community, some behavioral and substance use health care services are now available by interactive video communications, often referred to as “telemedicine”. Limited services may also be available by telephone. Using telemedicine, you may be evaluated and treated by a provider from a distant location.

- The provider at the distant location is licensed in the state of Kansas, and you will be informed as to what type of license they have.
- You will be informed if any additional personnel are present at the distant location and will have a chance to request that they not be present.
- Health care providers will have access to your mental health and substance use records, and will document your service just as when you are seen for a face-to-face service.
- Your privacy and confidentiality will be protected. There are potential risks to telemedicine technology, including interruptions, unauthorized access and technical difficulties. High Plains has taken precautions to secure those communications and minimize the risks.
- Charges for services using televideo conferencing or telephone technology will be billed to you in the same manner as if the services were delivered face-to-face. Charges will be billed to you at our usual and customary rate and your sliding scale fee reduction will be applied. If you have insurance, we will bill your insurance carrier first.

Your participation in telemedicine is voluntary, and you may refuse to participate or decide to stop participation at any time. If you refuse to participate or decide to stop participation, you may seek traditional behavioral health care services through High Plains Mental Health Center (if available) or another provider of your choice. This could result in delays in service, need to travel, or the risks associated with having a delay in behavioral health care services.

_____ I consent to the use of telemedicine.

**High Plains Mental Health Center
E-Mail/Electronic Communication Consent**

High Plains Mental Health Center (HPMHC) discourages the use of email and text messaging to communicate about your medical matters because it is not a secure method of communication, information could potentially be sent to the wrong person, it may not be the timeliest method of communication and it is dependent on technology which may or may not work all of the time. However, there are instances where email and text communication are permissible.

Email

With your consent, email can be used:

- For HPMHC to provide forms to me, and for me to return completed forms,
- To provide resources to me to assist in my treatment,
- To submit necessary business office documents (such as insurance paperwork, copies of insurance cards, etc).

Text Messaging

Text messaging is used by HPMHC to send next day appointment confirmations. If you do not want to receive text message appointment confirmations you will be able to “opt out” of this service by responding to the first text message confirmation you receive.

With your consent, text messaging is also allowed for:

- Scheduling and canceling appointment times with community-based service providers,
- Surveys,
- To reduce communication barriers in pre-approved, specific situations.

I understand that email communication should not be used for emergencies or for communicating time sensitive information. In the event of an emergency I should call HPMHC at (800) 432-0333 or (785) 628-2871 or dial 911. To communicate emergent or time sensitive information I should directly contact the office of my healthcare provider.

I further understand that email communication and text communication should not be used for any additional purposes not described above. Communication should occur by phone, in writing, or by talking to my healthcare provider during a scheduled session.

I understand that due to situations outside of the control of HPMHC, internet and email service may be interrupted or not work at any given time. HPMHC is not responsible for technical failures.

I will not share, distribute, release or sell my healthcare provider’s e-mail address to anyone.

I understand that email communication is not a substitute for medical care and evaluation. I must arrange for an office appointment to assure appropriate care.

I understand and accept that my provider may route my e-mail to other members of the staff of HPMHC for informational purposes or for expediting a response. I authorize my provider to send and designate staff within HPMHC to receive and read my e-mail.

I acknowledge that commonly used e-mail services are not secure and fall outside the security requirement of set forth by the Health Insurance Portability and Accountability Act for the transmission of protected information. Therefore, I understand there is a risk that my health information may be obtained by others not affiliated with my provider. I authorize my provider to communicate with me as described above by email or text messaging even though email and text messaging may not be secure and private and may be subject to loss or exposure.

I acknowledge and accept that my healthcare provider can terminate e-mail or text communication at any time. I understand that I am responsible for notifying HPMHC if I choose to discontinue email or text communication or if my email address or cell phone number has changed.
